

**PLEASE ATTEND AND SPEAK AT NEXT TUESDAY'S CUSD BOARD MEETING
DECEMBER 15, 2009**

**CAPISTRANO UNIFIED SCHOOL DISTRICT
BOARD OF TRUSTEES**

**33122 Valle Road
San Juan Capistrano, CA 92675**

- The teachers union is busing in hundreds of union members to protest against the seven reform trustees who've been fighting for the taxpayers and students of CUSD
- The teachers union buses will pick up teachers at 5:15 p.m. from Aliso Niguel, Dana Hills and San Clemente High and at 5:15 p.m. from Capo Valley High.
- For security purposes, police will not allow standing in the hallways of the Boardroom
- Please arrive and submit your speaker cards by 5:15 p.m. to ensure your opportunity to speak

Please speak in support of the seven reform trustees:

1. Let them know you appreciate the wonderful job they are doing under the most trying of circumstances – we support your conservative values and policies.
2. Urge the Board to continue fighting to stop the Kutnick/Union special election currently scheduled for June 2010 – to save CUSD \$500,000.
3. Thank them for refusing to grant the “Election Waiver” the unions have been demanding because it would be wrong to take away 6 of 7 votes from every voter **without first asking voters if they approve!**
4. Let them know their constituents in the community overwhelmingly continue to support the Board's efforts.
5. The union leaders may send busloads of public employees to protest for more money in the middle of a budget crisis, but the people who elected you seven reform trustees to office by landslide margins appreciate how you are fighting on behalf of the students and taxpayers of CUSD and following through on your campaign promises to bring reform and fiscal responsibility to CUSD.
